I. INTRODUCTION, HISTORY AND MISSION STATEMENTS

INTRODUCTION AND INSTITUTIONAL HISTORY

California Trinity University (CTU) is a non-profit private education institution that was established in May 1994. In the Fall of 1994, the Bureau for Private Postsecondary and Vocational Education (BPPE) granted the school approval to operate as a degree-granting institution offering degree programs in Acupuncture and Oriental medicine. The BPPE is a state agency which regulates all private postsecondary institutions in the State of California.

In 2010, CTU changed its educational objectives to include courses in business and education that aimed to transform the School into a 21st-century institution of learning. In August 2012, the Bureau for Private Postsecondary Education approved and granted its application for *Change in Educational Objectives* which added higher-education business and education programs. In 2019, CTU changed its name to California Trinity School of Business (CTSB) to best reflect its focus in providing quality graduate business education. In 2025, CTSB reverted to its original name, California Trinity University, to emphasize its commitment to providing Christian higher education to its students and to develop high-character business and community leaders who serve and thrive in the workplace through the integration of faith and learning.

The CTU Board firmly believes in the continuous improvement of its programs to provide education to the community, and to the society at large, with the objective of becoming a school for 21st century learning.

FAITH STATEMENT

The sole basis of our beliefs is the Bible, God's infallible written Word, the 66 books of the Old and New Testaments. We believe it was uniquely, verbally, and fully inspired by the Holy Spirit and written without error (that is, it is inerrant) in the original manuscripts. It is the supreme and final authority in all matters on which it speaks.

We accept those areas of doctrinal teaching on which, historically, there has been general agreement among all true Christians. Because of the specialized calling of our movement, we desire to allow for freedom of conviction on other doctrinal matters, provided that any interpretation is based upon the Bible alone and that no such interpretation shall become an issue that hinders the ministry to which God has called us.

There is one true God, eternally existing in three persons — Father, Son, and Holy Spirit — each of whom possesses equally all the attributes of Deity and the characteristics of personality. Jesus Christ is God, the living Word, who became flesh through His miraculous conception by the Holy Spirit and His virgin birth. Hence, He is perfect Deity and true humanity united in one person forever.

He lived a sinless life and voluntarily atoned for human sins by dying on the cross as a substitute, thus satisfying divine justice and accomplishing salvation for all who trust in Him alone.

He rose from the dead in the same body, though glorified, in which He lived and died.

He ascended bodily into heaven and sat down at the right hand of God the Father, where He, the only mediator between God and humanity, continually makes intercession for His own. Adam and Eve were

originally created in the image of God. They sinned by disobeying God; thus, they were alienated from their Creator. That historic fall brought all people under divine condemnation.

Human nature is corrupted. As a result, all people are unable to please God. Everyone is in need of regeneration and renewal by the Holy Spirit.

Salvation is wholly a work of God's free grace and is not the work, in whole or in part, of human works or goodness or religious ceremony. God imputes His righteousness to those who put their faith in Christ alone for their salvation and thereby justifies them in His sight.

It is the privilege of all who are born again of the Spirit to be assured of their salvation from the very moment in which they trust Christ as their Savior. This assurance is not based upon any kind of human merit but is produced by the witness of the Holy Spirit, who confirms in the believer the testimony of God in His written word.

The Holy Spirit has come into the world to reveal and glorify Christ and to apply the saving work of Christ to individuals. He convicts and draws sinners to Christ, imparts new life to them, continually indwells them from the moment of spiritual birth, and seals them until the day of redemption. His fullness, power, and control are appropriated in the believer's life by faith. Believers are called to live so in the power of the indwelling Spirit that they will not fulfill the lust of the flesh but will bear fruit to the glory of God.

Jesus Christ is the Head of the church, His body, which is composed of all people, living and dead, who have been joined to Him through saving faith.

God admonishes His people to assemble together regularly for worship, participation in ordinances, edification through the Scriptures, and mutual encouragement.

At physical death, the believer enters immediately into eternal, conscious fellowship with the Lord and awaits the resurrection of the body to everlasting glory and blessing.

At physical death, the unbeliever enters immediately into eternal, conscious separation from the Lord and awaits the resurrection of the body to everlasting judgment and condemnation. Jesus Christ will return to the earth — personally, visibly, and bodily, — to consummate history and God's eternal plan.

The Lord Jesus Christ commanded all believers to proclaim the gospel throughout the world and to disciple people from every nation. The fulfillment of that Great Commission requires that all worldly and personal ambitions be subordinated to a total commitment to "Him who loved us and gave Himself for us."

MISSION STATEMENT

The mission of California Trinity University is to develop high-character, competent, and skilled business leaders who serve and thrive in the workplace through the integration of faith and learning.

The California Trinity University's mission is appropriate to Christian higher education, consistent with its charter or other operating authority, and implemented in a manner that complies with TRACS' Standards. The institution's mission gives direction to its activities and provides a basis for the assessment and enhancement of the institution's effectiveness.

The mission sets forth the specific educational role of the institution about its intended audience. Educational goals and objectives are formulated that are consistent with the institution's Christian philosophy of education, its TRACS-approved academic level (national norms), and its Biblical Foundations Statement.

INSTITUTIONAL OBJECTIVES

The Institutional Objectives are written in measurable terms. The Objectives read as follows:

- IO 1 — Academic Excellence: Deliver a quality education through highly-qualified faculty.
- IO 2 — Whole-Person Learning: Equip students to be effective communicators, critical thinkers, and ethical leaders grounded in Christian values.
- IO 3 — Student Success: Support students in advancing their educational goals and preparing them for their professional careers.
- IO 4 — Institutional Effectiveness: Pursue continuous improvement through systematic assessment, strategic planning, and responsiveness to a changing professional landscape.

BOARD OF DIRECTORS

- The Board of Directors, under Section 43800 of Title V of the California Administrative Code, reserves the right to add, amend, or repeal any of its regulations, rules, resolutions, standing orders, or rules, resolutions, standing orders, or rules of procedures, in whole or in part, at its discretion.
- CTU does not have a pending bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, nor has it had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.).

WELCOME MESSAGE

Welcome to California Trinity University.

CTU's mission is to develop high-caliber, high-character professionals through a Christian education. That mission shapes everything we do, from the design of our MBA curriculum, to the faculty we appoint, to the standards we hold our graduates to as they enter or advance in their careers.

As Chief Academic Officer, my responsibility is to ensure that the education you receive at CTU is academically rigorous, professionally relevant, and grounded in the institution's Christian identity. Our MBA program is built around four Institutional Learning Objectives: Disciplinary Competence, Communication, Critical Thinking, and Christian Ethics. These objectives are not aspirational language. They are the standards against which we evaluate our program, our teaching, and our graduates' achievement.

I bring to this role a background in higher education assessment and accreditation. That

experience informs my conviction that good academic programs are built on honest measurement, continuous improvement, and a clear commitment to the people they serve.

Whether you are considering CTU or already enrolled, I encourage you to read this Catalog carefully and reach out with any questions. We will be glad to talk with you.

Amanda Kenderes, Ph.D., M.Ed.
Chief Academic Officer

STATEMENT OF NON-DISCRIMINATION

It is policy of CTU that applicants for admission shall not be discriminated against the basis of race, color, ethnicity, national origin, religion, gender, age and physical handicap. CTU's admission policy, therefore, is in compliance with the following federal statutes prohibiting such discrimination; Title IV of the Civil Rights Act of 1964 (as amended); Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; Age Discrimination Act of 1975 and the Americans with Disabilities Act.

STATEMENT OF CONFLICT OF INTEREST

Members of the School community are expected to exercise good judgment, honesty, and high ethical standards in all business transactions and have an obligation to conduct business within the guidelines that prohibit actual or potential conflicts of interest. The Board of Directors, faculty, and staff members should deal with suppliers, clients, students, contractors, government agencies, and all others having a relationship with the School on the sole basis of what is in the best interests of the School without consideration of personal gain.

This policy establishes the framework within which the School wishes to operate. The purpose of these guidelines is to provide general direction so that members of the School community can seek further clarification on issues related to the subject of acceptable standards of operation. Members of the Board of Directors should contact the Chairperson of the Board and all others should contact the Chief Executive Officer for more information or questions about conflict of interest. It is possible that the opinion of the School's attorney may be sought for clarification.

An actual or potential conflict of interest occurs when a member of the School community is in a position to influence a decision that may result in personal gain for that person or for a relative as a result of the School's business dealings. For the purpose of this policy, a relative is any person who is related by blood or marriage including spouse, child, step-child, parent, step-parent, parent-in-law, parent's siblings, sibling's child or step-child, niece, nephew, first cousin, and those whose relationship with the colleague is similar to that of persons who are related by blood or marriage.

No "presumption of guilt" is created by the mere existence of a relationship with outside firms. However, if members of the School community have any influence on transactions involving purchases, contracts, or leases, it is imperative that they disclose to the appropriate party mentioned above as soon as possible the existence of any actual or potentials conflict of interest so that safeguards can be established to protect all parties.

Personal gain may result not only in cases where a colleague or relative has a significant ownership in a firm with which the School is doing business, but also when a member of the School community or a relative receives any cash, a gift (including tickets) of substantial value (defined as greater than or equal to \$50), or special consideration as a result of any transaction or business dealings involving the School.

The Board of Directors and the Chief Executive Officer of the School have the ultimate authority and responsibility to determine the application of this policy and the implementation of steps to be taken to correct a situation deemed not in the best interests of the School, including, if appropriate, recommendation for disciplinary action or discharge.

Members of the School community to whom this policy applies will be given a copy of the policy and will be required to sign a disclosure statement at the time of hire. Certain key personnel will be required to sign a disclosure form on an annual basis.

STATEMENT OF ACADEMIC FREEDOM

California Trinity University is dedicated to maintaining a climate of academic freedom encouraging the sharing and cultivation of a wide variety of viewpoints. Academic freedom expresses our belief in inquiry, informed debate and the search for truth; academic freedom is necessary in order to provide students with a variety of ideas, to encourage them to engage in critical thinking and to help them understand conflicting opinions.

Academic freedom encompasses the freedom to study, teach, and express ideas, including unpopular or controversial ones, without censorship or political restraint. Academic freedom, rather than being a license to do or say whatever one wishes, requires professional competence, open inquiry and rigorous attention to the pursuit of truth.

CTU's faculty have the right to express their informed opinions which relate, directly or indirectly, to their professional activities, whether these opinions are expressed in the classroom, elsewhere on campus or at school-related functions. In a search for truth and in a context of reasoned academic debate, students also have the right to express their opinions and to question those presented by others.

Employment by the CTU does not in any way restrict or limit the First Amendment rights enjoyed by faculty as members of their communities. Faculty members are free to speak and write publicly on any issue, as long as they do not indicate they are speaking for the institution.

Protecting academic freedom is the responsibility of the school community. Therefore, in a climate of openness and mutual respect, free from distortion and doctrinal obligation, the CTU protects and encourages the exchange of ideas, including unpopular ones, which are presented in a spirit of free and open dialogue and constructive debate.

ACCREDITATION

The degree program offered by CTU is not accredited by an accrediting agency recognized by the United States Department of Education.

A graduate of an unaccredited degree program will not be eligible to sit in any licensure exams in California and other states nor does it allow one to become certified or registered as required for an applicable profession, occupation, trade, or career field in California and other states.

A degree program that is unaccredited or a degree from an unaccredited institution is not recognized for some employment positions, including, but not limited to, positions with the State of California.

A student enrolled in an unaccredited institution is not eligible for federal financial aid programs.

CTU has filed for and is on the initial stages of accreditation application for its Master of Business Administration program with an accrediting agency. The approval for accreditation is dependent upon the school satisfying all the required phases of the accreditation process.

NOTICE TO PROSPECTIVE DEGREE PROGRAM STUDENTS

This institution is provisionally approved by the Bureau for Private Postsecondary Education to offer degree programs. To continue to offer degree programs, this institution must meet the following requirements:

- Become institutionally accredited by an accrediting agency recognized by the United States Department of Education, with the scope of the accreditation covering at least one degree program.
- Achieve accreditation candidacy or pre-accreditation, as defined in regulations, by October 8, 2026 and full accreditation by October 8, 2029.

If this institution stops pursuing accreditation, it must:

- Stop all enrollment in its degree programs, and
- Provide a teach-out to finish the educational program or provide a refund.

An institution that fails to comply with accreditation requirements by the required dates shall have its approval to offer degree programs automatically suspended.

II. STUDENT LEADERSHIP

STUDENT ORGANIZATION OVERVIEW

Student groups at California Trinity University provide a rich and varied complement to academic life. The Office of Student Services works with all student clubs, including the Student Government Association, to help students have successful events and meet organizational goals.

STUDENT GOVERNMENT ASSOCIATION

The Student Government Association (SGA) is the governing Board of the student body. The Student Government Association seeks to actively enrich and broaden the student experience. Interacting with students, administration, faculty, and the external community, the SGA promotes an environment of energetic and engaged students who are proud to be lifetime members of the California Trinity University community.

The SGA consists of both voting members and non-voting members. Members must be currently registered CTU students and every member has a right to vote. Non-voting members include Director of Student Services and SGA Advisors.

There is no membership fee to become a SGA member or officer.

Officers must be full-time MBA students, having completed at least 1 quarter of course work, have obtained a minimum 3.0 cumulative GPA at the time of their nomination. CTU has a diverse multi-cultural, multi-lingual student body; therefore, meetings will be conducted in English.

The officers shall be elected by students by a majority of the vote cast for that office. The officers shall serve for one year and their term of office shall begin every Summer Quarter.

An official meeting will be held every 1-2 months, at the minimum, either through online video group call or in-person. A quorum of 3 members constitutes an official meeting.

CLUB LEADERSHIP

All clubs are required to have a representative for three crucial leadership positions:

1. President
2. Vice President
3. General Secretary / Treasurer

III. TUITION AND BILLING POLICY

TUITION AND FEES

Students are required to pay tuition at registration each quarter. Cash, credit cards, and checks are accepted in the amount due. Courses are offered in both day and evening sessions with the same tuition charged. For tuition and fees of a specific program, refer to the program's section on Financials. CTU reserves the right to change tuition. Changes to tuition are announced to the students via email at least one quarter prior. The announcement will be posted on the school's website. Any new tuition rate will be in effect for the upcoming quarter. Any changes in the tuition will likewise be updated in the catalog or catalog addendum.

Tuition Payment Plan Policy

CTU offers a Tuition Payment Plan to help students manage the cost of education financing. At the start of each quarter, the student can arrange to setup a Payment Plan specifying the monthly installment payment amount and dates when payments are due.

The following are the policy guidelines for the tuition payment plan:

- Students who arrange to pay in 3 (three) monthly installments will be assessed a one-time processing fee of \$50 (non-refundable) at the start of the quarter.
- Payments received more than 5 (five) days past the due date will be assessed a late fee of \$50.00.
- Student's account balance must not be delinquent and prior quarter charges must be paid.

- Current quarter tuition and fees must be billed.
- Only a maximum of three installment payments are allowed per quarter.

Note: Payments specified in the payment plan are subject to change by adding/dropping courses and changes in financial aid.

CANCELLATIONS, WITHDRAWALS AND REFUND POLICY

The student has the right to cancel the enrollment agreement and obtain a refund of all charges paid less the non-refundable fee through attendance at the first session, or the seventh day after enrollment, whichever is later.

The student has the right to withdraw at any time from the course of instruction after the cancellation period and receive a pro-rata refund for the unused portion of the tuition and other refundable charges if student reaches 60% completion or less of the period of attendance. The amount of the refund is determined by deducting the registration fee from the total tuition charge, then dividing the remainder by the number of hours in the period of attendance to calculate the hourly charge. The refund is the amount in excess of what the student owes for total hours of instruction completed, including the non-refundable registration fee.

A student should send either through postal mail, hand deliver, or fax a written notice of cancellation or withdrawal addressed to the School Registrar at California Trinity University 2333 Beverly Blvd, Los Angeles, CA 90057. The cancellation or withdrawal will take effect by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

Any refunds due will be made by the School within 30 calendar days from the effective date of cancellation or withdrawal.

In order to ensure that students are fully informed of their rights and procedures for recovering tuition refunds, a copy of the School's Cancellation/Withdrawal Policy is provided to each student upon registration. In compliance with the applicable California Education Code (Section 94919), the School's cancellation/withdrawal and refund policy is also fully disclosed in the enrollment agreement.

STUDENT TUITION RECOVERY FUND (STRF) STATEMENT

(a) A qualifying institution shall include the following statement on both its enrollment agreement and school catalog:

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

“It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans. To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise

been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

HEALTH ISSUES

Unfortunately, pursuing a degree is a time when students don't get enough sleep, don't make healthy dietary choices, and experience a significant increase in stress. It is imperative that a healthy lifestyle is pursued, e.g., getting a good night's sleep each night, eating healthy, drinking water, and exercising regularly; all of these things will lead to a healthy college experience. If a student doesn't feel well, he or she should first consider sleep, diet, and exercise; often, unhealthy practices in these areas cause the body to feel mentally and physically run-down.

If you feel like you need to see a doctor, contact your insurance company and check which doctor that they would have you see locally. If you already have a local doctor, call them directly and set up an appointment. Remember to bring your insurance card and co-pay to the appointment. Additionally, there are a number of pharmacies and urgent care facilities in the area that will provide walk-in services.

If you are experiencing a health emergency, do not wait to contact a doctor, dial 911 immediately.

V. ACADEMIC POLICIES

Frequently asked academic policies are included in this Student Handbook. The full Academic Policies are in the School Catalog only.

ENROLLMENT AND REGISTRATION

Students are required to register for classes each quarter during the announced registration period and to pay a Registration Fee, tuition and related fees. Students must register for the required minimum number of quarter units, as applicable for their course within the announced registration period. A late registration fee will be assessed for registrations made beyond the registration period. No late registrations will be accepted beyond the Add-Drop period. Academic or administrative departments may place an Academic Hold on a student's record, which will restrict the student from performing certain actions until the hold is resolved and removed. Depending on the type of hold, this may prevent the student from enrolling in courses.

ADD AND DROP POLICY

Students can add and drop a course during the first week; or change grading basis through the end of the last day of the second week without charge. After the second week of instruction, a fee is charged to make a change.

Anything submitted or requested as an exception to a published deadline is subject to an additional penalty fee (included where applicable).

Action	Allowable Change Period and Fee					Method to Apply
	Week 1	Week 2	Week 3	Week 4	Week 5 -11 or Graded Course	
Add/Drop course	\$0.00	\$5.00				Add/Drop Form
			\$50.00			By petition and CAO/CFO Approval

Change Grading Basis	\$0.00	\$0.00				Add/Drop form
			\$10.00	\$10.00	\$35.00	By petition and CAO/CFO Approval

ATTENDANCE POLICY (CLASSROOM)

Students are required to attend at least 80% of the scheduled class meetings to be eligible to take the final examination, unless an acceptable reason is given and approved by the faculty in charge of the course. If a student misses a final examination due to an unforeseen circumstance, a make-up examination may be arranged, subject to the prepayment of make-up examination fee.

EXCUSABLE ABSENCES

Absence may be excused for childbirth, documented illness, injury, and death in the family, or other emergency situations. Students should call the Student Services as soon as possible on the first day of absence and give an estimate of the duration of the absence.

TARDINESS

Two incidences of tardiness (over 30 minutes) are the equivalent of one absence.

EXCESSIVE ABSENCE

Excessive absence is defined as absence in excess of 30% of scheduled classroom hours in academic courses. To receive credit for the course, all work missed due to absence or tardiness must be made up to the satisfaction of the instructor. Instructors will normally arrange for make-up examinations in

case of excused absences. Instructors are not required to provide make-up for exams missed due to unexcused absence or lateness, unless the reason for absence or lateness is acceptable; otherwise, a failing grade may be assigned.

TRANSFER OF CREDIT POLICY

California Trinity University (CTU) requires students to earn at least 25% of the credit hours required for the MBA degree through the institution awarding the degree. Students must complete at least 25% of the 60 quarter credit hour MBA program, equivalent to a minimum of 15 quarter credit hours, through CTU coursework in order to be awarded the MBA degree. Accordingly, a maximum of 45 quarter credit hours may be transferred into the MBA program from other institutions. Students must apply for transfer credit within the first two quarters of matriculating at CTU. Courses must have been completed with a minimum grade of "B" (3.0) in graduate status at an accredited institution other than CTU. If an applicant has completed an MBA program from another institution, that student is not eligible for transfer admissions and may not

California Trinity University Catalog 2025-2026 20

apply for transfer credit for those courses. CTU will grant unit or subject credit for equivalent work completed at another institution toward the CTU MBA degree program. Transfer credit requests are evaluated by the Chief Academic Officer. Transferred courses will appear with a "TC" on the student's transcript. Transfer credits are counted as unit and course credit and are not counted into the student's cumulative GPA at CTU.

Courses accepted for transfer must be reported on an official transcript (academic record) which must be provided to the CTU Admin Office in a sealed envelope (or electronically submitted from the transfer campus' registrar's office) from the original college/university of enrollment, bearing the institution's official seal and registrar's signature. CTU does not award credit posted to a third-party institution's transcript. Credit is only considered from the original institution's official academic record.

CTU does not award credit for: work or volunteer experience, vocational or technical training, and personal enrichment courses; remedial academic or pre-baccalaureate courses, especially in English and mathematics. CTU does not award credit by examination, advanced placement, prior learning assessment, prior experiential learning, or professional certificates. Courses completed at unaccredited/non-regionally accredited institutions may be reviewed on a case-by-case basis.

EXPIRATION OF COURSE CREDIT

Students are expected to complete the CTU MBA program within three (3) years of the start date. If a student must leave CTU due to outside extenuating circumstances and re-matriculates at a later date to complete the degree, the course credits previously taken at CTU will expire five years after the date the course(s) were completed. Therefore, if the program is not completed or designation is not earned within five years, the course credits will expire, and the course must be repeated to meet the program requirements, where applicable. The Registrar's Office will review each course's completion date to determine which have retained or expired credit. Transfer credits from courses taken externally are subject to the same rules based on the date the credits were posted to a student's transcript.

TRANSCRIPTS OF CTU COURSES

The Office of Registrar maintains all official transcripts, which are issued only at the written request of the student. Three to five working days should be allowed for processing. Requests for transcripts may be submitted either in person, by e-mail, or by mail. No telephone requests for transcripts are accepted.

\$20 fee is charged for each official transcript. Copies of transcripts for work taken at other institutions will not be issued.

Official transcripts bear the institutional seal and signature of the School Registrar. CTU reserves the right to withhold any and all services if petitioner is not in good financial standing with the School.

ACADEMIC PROBATION POLICY

Any student whose cumulative grade point average falls below 3.0 (B) on a 4.0 scale, or whose attendance rate for the previous 2 quarters all fall below 80% will be placed on academic probation. No record of this status will be placed on the student's permanent record. Probation begins with the quarter following notification. A student who receives a *Notice of Academic Probation* is required to consult with the Chief Academic Officer and submit a plan for improving his/her grade point average. During this period, the Chief Academic Officer will closely monitor the student's academic activities and/or attendance to determine the cause of unsatisfactory academic performance and recommend remedial measures. Academic probation may be removed when a student improves his/her grade point average to 3.0 or higher, or, if probation is due to attendance, improves attendance rate. A student will be dismissed or terminated from the program, if, at the end of the quarter on probation, the student has not improved his/her academic performance or, if probation is due to attendance, has not attended at least 80% of the classes.

ACADEMIC LEAVE

VACATION FOR F-1 INTERNATIONAL STUDENTS

Annual Vacation

An annual vacation quarter is a quarter stay in the U.S. while not registered at full-time status. You are eligible for annual vacation if you have completed three (3) consecutive quarters prior to the vacation, and you intend to register for the following quarter. An annual vacation may be requested for any quarter, except the final quarter. During your vacation quarter, you may either enroll part-time or not at all.

F-1 Leave of Absence (LOA)

F-1 international students must be enrolled at a full course of study in order to maintain their F-1 status. Before withdrawing or stopping your studies, you must contact the Administrative Office to schedule a meeting with the P/DSO. If you are taking a leave of absence, you will be required to either leave the U.S. or take an immigration action, such as, applying for a change of status to another immigration status. In most cases, you may not remain in the U.S. If you fail to notify the P/DSO regarding your leave, the school will terminate your SEVIS record for "failure to enroll" and this may cause serious consequences on your immigration records.

LOA for less than 5 Months

If you are an F-1 student on a Leave of Absence for less than 5 months and planning to re-enroll for a coming quarter, you must contact the P/DSO to reactivate your SEVIS record. The P/DSO can request SEVIS to reactivate a student's record up to 60 days prior to the start date of the quarter.

LOA for more than 5 Months

If you are on a Leave of Absence and will be out of the US for 5 months or more, you are required to apply for a new I-20. Please note that you may not use your last I-20 for re-entry, as it will no longer be valid. You may enter the U.S. no earlier than 30 days prior to the start date of the quarter for which you will re-enroll. The start date on the new I-20 reflects the start of the quarter.

Medical Leave of Absence

Students may request a Medical Leave of Absence when they will or have received medical treatment that will render them unable to attend classes at regular full-time basis. F-1 students who intend to seek treatment in the U.S. may remain in the U.S. In order to receive permission from the P/DSO for a Reduced Course Load or Leave of Absence, a Leave of Absence Request Form, along with supplemental documentation such as a valid doctor's note or medical certificate are required to be presented for approval. If the request is approved, the student will be permitted to keep F-1 status active and remain legally in the U.S.

LEAVE OF ABSENCE (LOCAL STUDENTS)

A leave of absence (LOA) is a temporary interruption in a student's program of study and should only be requested in case of emergencies and extenuating circumstances including but not limited to medical reasons, jury duty, military service, incarceration, or death of a family member.

1. To request an LOA, the student must submit a Leave of Absence Request Form via hard copy or through email, to the Registrar. The written request should include the reason for the LOA and the amount of time needed. All LOA's must have prior approval by the Registrar.
2. In the rare event the student is unable to submit the Leave of Absence Request Form, the student must verbally communicate with Chief Academic Officer or Registrar, and follow-up with email.
3. Leave of absence shall be reasonable in duration, preferably not to exceed 30 calendar days. California Trinity University (CTU) highly discourages any requests for an additional leave of absence, however, CTU may grant only one (1) more additional LOA within a 12-month period, in the event that an unforeseen circumstance arises, such as medical reasons, military service, or jury duty. The LOA, together with any additional leave of absence, must not exceed a total of 180 days in any 12-month period.
4. Students on a LOA remain in Active Status; therefore, they are still obligated to maintain payments due to CTU.
5. Students must return on or before the day they are required to from their Leave of Absence. Failure to do so will result in being dropped from the program.

Voluntary Leave

A student who has registered for and completed any course credits may request a Voluntary leave of absence for a maximum of four quarters. Retroactive leave of absences will not be granted. Students who have exceeded more than fourth quarter of leave will be administratively withdrawn effective at the end of the fourth quarter.

Medical Leave

A student may request a medical leave if he/she experiences health situations interfering with successful full-time or part-time study. Students who are hospitalized during the quarter or who miss classes for more than two weeks due to health issues are advised to take a medical leave from the term in progress.

Military Leave

A student who is a member of the U.S. military, National Guard or other armed forces reserve unit who is called or ordered to active duty elsewhere may be granted a Military Leave of Absence for the period of active duty. Supplemental documentation such as a copy of the orders to report or proof of active service must be attached.

ACADEMIC HONESTY

All students at CTU are expected to adhere to the highest standards of academic honesty in the performance of all academic work. Students will be subject to disciplinary action for committing any form of academic dishonesty, including but not limited to, cheating, plagiarism and the use of materials prepared by another.

Violators will be subject to severe disciplinary action, subject to academic probation, suspension, or dismissal. The use of commercially prepared term or research papers, in whole or in part, for completion of any course requirements, will be considered the most serious offense, and will include criminal penalties by the State of California for the sale or distribution of such materials.

STUDENTS TRANSFERRING TO ANOTHER SCHOOL

It is strongly recommended that students discuss their options with school administrators prior to initiating any transfer and follow the protocols for withdrawing from CTU.

Transferring from CTU to another university is the student's responsibility. Since all universities have different criteria for accepting students, it is beyond CTU's ability to determine what credit might be given for course work completed at CTU.

All transfer-out students should submit the Withdrawal Form and Transfer-Out/Exit Survey to the Admissions Office at admin@catu.edu.

FEDERAL FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

STUDENT RECORDS AND RETENTION POLICY

CTU student records of enrollments, grades and units earned, degree studied and/or obtained, graduation dates and transcripts are stored permanently in CTU's secure data system. CTU also retains physical files of the records containing the admission applications, executed enrollment agreements, financial records, and course registrations,

CTU policies concerning the protection and confidentiality of the student records are in compliance with the Federal Education Rights and Privacy Act (FERPA). Students have the right to inspect their records

during the normal business hours and demand correction if discrepancies are found. CTU regulates and limits access to students' records and does not disclose students' records without the written consent of the students. Students have the right to file a complaint with the Department of Education should a student believe his or her rights under FERPA have been denied.

It is the policy of CTU to ensure accuracy of each student's records. However, students have the right to make certain that their records are accurate.

STUDENT RECORDS

TRANSCRIPT AND DOCUMENT REQUESTS

Current and formerly enrolled students can request for official documents such as official transcripts, enrollment verification, or duplicate diploma by submitting a Document Request form and filing the appropriate processing fee to the Registrar's Office. Official transcripts are sealed and given to the student or mailed to the institution as requested. Students must accompany the request with evidence that an "official school record verification" is required. Academic or administrative departments may place an Academic Hold on a student's record, which will restrict the student from performing certain actions until the hold is resolved and removed. Depending on the type of hold, this may prevent the student from ordering transcripts and verifications. Please review CTU's Academic Hold policy under General Financial Section.

GRADUATION WITH DISTINCTION

A student may be awarded a master's degree *with distinction* by attaining a GPA ranked in the top ten percent (10%) of all graduates within the academic school year of graduation. The notation "Awarded With Distinction" will be posted on the degree transcript and will appear on a diploma certificate, but not on the MBA degree diploma.

PRIVACY OF STUDENT RECORDS

In order to minimize the risk of improper disclosure of students' records, access to students' records is strictly controlled and regulated. Student's transcript of academic performance contains only information concerning academic status and performance. Information concerning disciplinary action or advising files shall not be available to unauthorized persons.

ACCESS TO STUDENT RECORDS

Access to students' records will be permitted to all the pertinent administrators, faculty and staff during the normal business hours under following conditions:

1. When performing their assigned duties, such as academic, personal or job placement counseling;
2. When evaluating student's graduation requirement;
3. When complying with a judicial order or subpoena;
4. When authorized federal or state officials are conducting official business, such as qualitative assessment of CTU's educational programs by the state regulatory and/or accrediting agency; and
5. When access to student's records are given written consent by the student.

Students may obtain copies of their unofficial transcripts from the Registrar. Official transcripts are only sent directly to other schools/ agencies. No one outside of the institution shall have access to, nor

will the School disclose any information from a student's academic records without written consent of the student.

STUDENT DIRECTORY INFORMATION

In compliance with applicable laws and regulations, CTU regards the following information about students enrolled at CTU as public information and may be included in the Student's Directory unless specifically requested by the student that such information not be disclosed in the CTU's Student Directory:

- Student's name,
- Student's local address and contact information, and
- Student's class standing.

Those students, who do not wish to disclose the above information in the Student Directory should contact the Registrar's Office.

In addition, it assesses whether the student is ready to begin studying in an environment where English is the language of instruction. CTU requires an IELTS Academic score of 5.5 or higher.

International students who have not previously taken any of these English Proficiency tests can choose to prepare by reviewing on their own or by enrolling in an approved ESL program.

Test application requirements, authorized test locations and schedule, testing fees, and other details can be obtained from the respective websites:

- <https://www.ets.org/toefl>
- <https://www.ielts.org>

International students may request an exemption from the language exam requirements if they:

The foreign degree, transcript evaluation and verification process must be completed within the first quarter of the enrollment. Failure to complete this requirement will affect to your acceptance and the student may not be allowed to continue their study in the school.

SEVIS TRANSFER

International students currently on F1 Visa with a valid Form I-20 issued by another school can apply to transfer and enroll in CTU by completing the general admission requirements, and upon obtaining an acceptance letter, request a transfer/release of their Form I-20 from their previous school.

GUIDELINES FOR INTERNATIONAL STUDENTS

The *Student Exchange Visitors Program* (SEVP) of USCIS places responsibility on the international student to understand and comply with program regulations. This section summarizes the responsibilities for F-1 students. Failure to comply with these responsibilities may jeopardize their F-1 student status.
